

# The Glebe Gazette

Friday 14th November 2014

## Onward and upward!

We are delighted and excited to announce we have had a successful bid to Sports England to develop our Key Stage 2 playground. At the start of December we will start to see the main playground installed with a multi-purpose games space with safety flooring, markings, enclosure hoops and goals. I am sure you will agree this is going to be a super

development for our children!

We are also thrilled to now have the library furniture following our successful bid to the 'Big Lottery' fund now installed and we are now looking forward to this space being turned into a exciting and imaginative 'World of Words'.

On Friday 12th December we welcome Tristram Hunt, the Shadow Secretary for Education to Glebe Academy to officially open these developments and Glebe Academy. We are planning lots of exciting events of this day and we will provide more details in the forthcoming weeks.

<u>Dates for the diary</u>

## Be a Glebe Hero!

We are having a 'Come as a Hero' day on Friday 28th November. To support this we are asking for £1 donations to take part to raise money for Leukaemia Research. This is a charity close the hearts of Glebe Academy following the death of our previous Headteacher, Sam Hurst, 3 years ago. We are asking pupils to come dressed as a hero; this could be their personal hero or someone who is considered to be a hero, i.e. superheroes, famous people in history, sport stars or even your Grandad! The choice is yours and the aim is to have fun!

There will be no Celebration Assembly on Friday 28th November because of this however parents & friends are invited to a special celebration at 2:00pm on that day instead.

*Thank you for your continued support in school, Mrs S Oakes Smith*
