## Glebe get the Reading Bug!

All children from FS2 to Year 6 should now have received a new reading book from our Reading Scheme, Bug Club. The children were all very excited to get their new books to take home.

Thank you to those parents that have fed back about the books already. It is lovely to hear how positively children have felt about their new reading book. You will receive a log in very soon to access Bug Club online at home.

### Family Support Worker

Anna Lindop, our Family Support Worker will be leaving us this week following a successful promotion at the charity, Aiming High. Anna has made a

fabulous impact during her time at school and has supported a number of children and families. We are pleased to announce the appointment of Natasha Gratton, an experienced Family Support Worker who has previously been the Regional Family Support Worker for the Caudwell Trust. Natasha will be joining us in school this week to ensure a smooth transition with this role and there will be opportunities for parents to get to know Natasha in the forthcoming weeks.
