<b>SCHOOL CLOSED:</b> May Day	School closed on Monday 4th May
<b>SCHOOL CLOSED:</b> Polling Day	Thursday 7th May

## Book Detectives for World Book Day!

This year **World Book Day** is being celebrated on **Thursday 5th March**. Reading is something of great value and we understand the importance of children getting enjoyment from their

reading. We have many exciting opportunities in school, all aimed at improving children's reading and building their interest. World Book Day is an excellent way to celebrate this. For World Book Day this year, we would like children to come dressed as some kind of investigator, police officer or anything relating to being a detective. A white shirt with a tie or an investigators badge are some of the ideas as a costume! It really is up to you and your children! Let's get our children 'spying' on books!

### Website

We are very busy developing our school website so that it can become a useful part of school life. Find us on

**www.glebeacademy.co.uk**

Keep an eye out over the next few weeks to see how this grows. If you have any ideas of things that you would find beneficial on the website please let us know via your children's journals.

### Attendance

There are a number of children who are having time off from school to attend appointments. Whilst we appreciate that some of these, particularly hospital appointments, are often beyond your control, please try where possible to arrange these at the end of the school day or in holiday times.

If your child does need to attend an appointment which means them missing any time from school **we MUST see a medical appointment card or letter** for this to be authorised as a medical mark. Without this proof we can not give a medical mark and your child's attendance will be affected.

### Parent Session

Thank you to everyone who attended the parent session on Tuesday. It was lovely to see so many of you in school working alongside your children in class. We hope this gives you an opportunity to work alongside your child, see some of the things they are learning about and see their classroom in action!
