### Glebe Special Dinner Days

You will be aware that we have been working with children and staff across the school to develop a number of 'Special Dinner Days.' Our 'Special Dinner Days' are proving to be hugely successful with children across the school and give your child/ren an opportunity to get involved with our Catering and Business Team to develop skills in food technology, research, business and marketing and to have fun:

- Designing and developing bespoke menus for their 'Special Day Theme' – which are linked to areas of the school curriculum they are currently studying
- Designing and producing marketing flyers to promote their 'Special Dinner Day'
- Creating a themed shared learning experience across school, through decorating the hall to share learning across school for to reflect the theme of their 'Special Dinner Day'
- Promoting their 'Special Dinner Day' across school to other classes.
