

## U2.1 Why do some people think God exists?

### Emerging

I can define the term theist, atheist and agnostic.

I can give examples of statements that reflect these beliefs.

I can give two reasons why a Christian believes in God and one reason why an atheist does not.

### Expected

I can outline clearly a Christian understanding of what God is like, using examples and evidence.

I can give examples of ways in which believing in God is valuable in the lives of Christians, and ways in which it is challenging.

I can express thoughtful ideas about the impact of believing or not believing in God on someone's life.

I can present different views on why people believe in God or not, including their own ideas.

### Exceeding

I can explain how Christians sometimes disagree about what God is like, giving examples of how they interpret texts differently.

I can enquire into what some atheists, agnostics and theists say about God, expressing their own ideas and arguments, using evidence and examples.
