

Year 5 Summer Half Term Home Learning

Our Imaginative Learning Project for this half term is: **Allotment**

Home learning books will be sent home each Thursday and must be returned each Tuesday at the latest with a task completed. You must **choose 5 tasks** from the table below; ideally choosing one per week to complete (must choose at least 1 from GOLD and at least 1 from SILVER over the half term but do try to challenge yourself more if you can!

HOME LEARNING MENU

Please date in the task box below when you have completed each task. Tasks should be completed in or stuck into the home learning books; practical tasks not able to go into the books should be brought into class once completed. If possible try and take a photograph of any practical work and stick it into your book so there is a record in there and we can celebrate your work throughout the year and ensure you get your reward points.

BRONZE (2 Dojo reward points each)	SILVER (3 Dojo reward points each)	GOLD (5 Dojo reward points each)
Present a list of the environmental advantages and disadvantages of using local land for allotments. <i>Date:</i>	Find out how many people in school grow their own fruit or vegetables. Design a graph or chart to show your findings. <i>Date:</i>	Design your own growing area in your garden. Make a detailed, labelled plan, showing what you would grow. <i>Date:</i>
Find out the food miles travelled by the ingredients of your evening meal. <i>Date:</i>	Write a letter to local businesses persuading them to sponsor your school allotment or contribute items to help you develop it. <i>Date:</i>	Make a flower arrangement using florist foam blocks and found foliage. Decide on a theme or colour scheme for your arrangement. Photograph your finished piece to show others at school. <i>Date:</i>
Plan a healthy meal for your family, make sure it includes each of the food groups! <i>Date:</i>	Collect images from magazines to make a great visual background for displaying an allotment poem. <i>Date:</i>	Attract birds to your garden by making them a delicious bird cake. Combine melted lard with seeds, nuts and dried fruit. You'll find lots of recipes online. <i>Date:</i>

Key Maths and English Skills

Your child will also have an English or Maths task to support them each week to complete in their books. This must be completed and the book returned every Tuesday and children will then have an additional 5 minutes playtime on the Tuesday. If your child does not complete their weekly English or Maths they will have to complete it during lunchtime on a Wednesday (Y2-Y6).

Also all pupils will have **daily reading** and this needs to be recorded in their journal by yourselves every time they read. Children who read at least 4 times a week (between Friday and Friday) will have an additional 5 minutes Golden Time.

Pupils will also have **Spelling and Reading words to read and write** each week.

Please support your child with their home learning, however if they do find it too difficult or too easy please also communicate this with us. Star * any questions you may have had to help a lot with. You can also indicate I for 'Independent' if your child has completed it on their own.

If you have any questions about the home learning your child has been set, please do not hesitate to contact us.

Please complete home learning on the next empty page and return the book by **TUESDAY**. We will then mark their work and new home learning will be sent every Thursday.

THANK YOU FOR YOUR SUPPORT
