

We will work together to ensure all children attend school every day and are on time. We will also develop more ways to reward children whose attendance is over 96%.

We will help you to learn more about how to keep yourself healthy and safe.

We will teach you about the world of work and develop your aspirations for the future.

We will work with our youngest pupils in EYFS and Year 1 to ensure they are confident in phonics and are using these strategies to help read new words.

2019/20 School Development Plan

What are we doing to continue to improve our school this year?

We will ensure our school reflects our 5 key values at all times:

Aspirational; Passionate; Caring for All; Collaborative; Forever Learning

We will work with others and support others to develop our leaders in school, including our young leaders, subject leaders and Governors.

We will ensure we give you ways to become confident, resilient and articulate learners.

Your teachers will be working with you all to make you mastery Mathematicians.

We will work together to ensure you use your English and Maths skills in other curriculum areas and when working independently.
