Glebe Academy is in the process of transitioning to online learning provision in response to the Government's school closures. Not only will this transition protect the safety and well-being of our children, employees and our families as we navigate through the COVID-19 Coronavirus pandemic, but it will also ensure the best possible continuity of learning for each and every one of our pupils.

Please ensure you have access to **Class Dojo** and **Parentmail** as these are our two vital communication platforms through this period for Remote Learning information and your regular Parent Updates.

The children of key workers will continue to be supported in school, in crisis situations where no other family or friends are able to care for your children. If you wish to enquire about Emergency Childcare for Critical keyworkers please contact [**office@glebeacademy.co.uk**](mailto:office@glebeacademy.co.uk), please do not try to ring the school.

The provision for this will be from 8.45am-2.45pm Monday to Friday and parents will need to ask their employer to confirm with the school that they are a key worker.

If you need to speak to a member of the school team urgently, **please ring 07593 445512 (Between Monday to Friday 08.30am to 3:30pm).**

If you are entitled to Free School Meals, or have emergency and immediate issues with food supplies please also contact [**office@glebeacademy.co.uk**](mailto:office@glebeacademy.co.uk) or ring the number above.

Whilst our sincere hope is to be able to re-open as soon as possible in accordance with government advice, irrespective of our reopening date, we are totally committed to offering a high quality of learning and pastoral care for our pupils.

To contact a member of your child's class team please email, Monday to Friday, 8.30am – 3.30pm or for general enquires please email office@glebeacademy.co.uk:
